Giving to Pillow Academy

Beth Roberson – Kathryn Pittman Courtyard and Memorial Brick

The Roberson-Pittman Memorial Courtyard is one of the most beautiful places on campus. Placing an engraved brick in honor of or in tribute to someone who has touched your life is a wonderful way to say "thank you," or to provide a lasting memory of their impact on your life. Their name will become a permanent part of PA's landscape. Throughout the walkway, bricks have been placed to honor a graduate, memorialize a loved one, recognize a friend, remember a faculty member, and in tribute to a veteran.

Each brick is \$100 and may contain up to three lines of type. The maximum characters per line is 14 with spaces and punctuation considered as a character. Please print one character only in each blank. Use additional forms for each brick.

Payment and form may be made online – click the “Spring for a Brick” button.

Be sure to complete “Send notification to” sections above if you would like your friend or their family to be notified of your gift. Complete this form and return both pages with your check.
