

PILLOW ACADEMY MEMORY BRICK PROGRAM

You can join hundreds of others and become a lifetime Mustang Fan by purchasing a personalized brick to be placed next to the *Beth Roberson and Kathryn Pittman Courtyard* at Pillow Academy. The PA Alumni Association is excited about being given the opportunity to resurrect the Memory Brick Program which was initiated several years ago in connection with the PA+ Campaign. We will again offer to engrave your brick with your name, someone else's name, or even with a serious or funny message for future genera-

tions of Pillow supporters and alumni to enjoy. These commemorative bricks, which can be purchased for \$100 each, are a lasting remembrance for someone you care about and a perfect way to honor someone or to celebrate birthdays, anniversaries, graduation, or other special occasions. In addition to showing your support for Pillow Academy, participating in the Pillow Academy Memory Brick Program gives you an opportunity to become a permanent Mustang Fan!
